

SUPPORT THE CRITICAL NEEDS FOR FAMILIES AND KIDS
IMPACTED BY FOSTER CARE IN YOUR NEIGHBORHOOD.

Foster families offer radical hospitality, love, and care for kids in crisis in the community. With the COVID-19 pandemic, these families are serving the most vulnerable children and have critical needs. The neighborhood has a unique opportunity to support and encourage foster families who live nearby! Flash Boxes are designed to do just that! Filled with activities, gift cards, and items for both the guardians and kids, Flash Boxes will bless the socks off foster families!

HERE'S HOW TO PUT YOUR BOX TOGETHER

1. Purchase an opaque 12 gallon lidded-tote with snapping/latching handles.

Please DO NOT use a clear tote.

2. Fill it:

Place suggested items in the box to fill it. Get creative and include family focused activities, necessities, items to bless the foster parent(s), and fun items for kids.

3. Write a Note:

Write a handwritten note, on an 8.5 x 11" paper or note card, inside the box's lid with an encouraging note such as:

"Thank you for the love and sacrifice you give for kids in foster care in our community."

"Your hard work does not go unnoticed. Thank you!"

"Your family is full of rock stars, adults & kids!"

"Our community needs you. Thank you for the radical generosity you provide to kids in foster care."

Your message should be easily visible, unsealed, and should not include religious language. You're welcome to sign the notes with your first names or organization's name.

4. Drop it off:

1. Complete this [form](#).
2. Make sure to type "Flash Box drop off" in the comment.
3. We'll follow up with your nearest drop off location.

Please do not drop your box off at DHS.
