

# Volunteers Needed

## What is a Clothing Bundle?

- ▶ Youth entering foster care often enter care with little personal belongings
- ▶ A Clothing Bundle provides the security of 24 hours of clothing (pj's, socks, underwear, & one outfit)

## How Do They Help?

- ▶ Provide emergent needs to youth
- ▶ Support Resource (foster) providers as they welcome a new youth into their home & support a healthy bond
- ▶ Provide resources and support to OOHS staff transitioning youth into care

## How Can We Get Involved?

- ▶ Groups of Volunteers are needed to sort, bundle, and label clothing
- ▶ Bundling is most efficient with groups of 3 or more, however there is a way for any group or individual to get involved!
- ▶ Upon signing up, all needed supplies will be provided to you and your group

## Training & Sign-Up

- ▶ Short on-site group training at supply drop-off
- ▶ Drop-off instructions or arrangements to pick up finished bundles
- ▶ Learn more & sign-up
